

EXECUTIVE SUMMARY – May 2025

Calendar Mix. There was one fewer weekday and one more Saturday in May 2025 compared to May 2024. METRO would have expected a negative impact to ridership in May 2025 relative to May 2024 due to calendar mix.

Calendar Mix – Holidays. Memorial Day occurred in May 2025 and May 2024. METRO would have expected a neutral impact to ridership in May 2025 relative to May 2024 due to holidays.

Weather. There were four weather days in May 2025 compared to five weather days in May 2024. As a result, METRO would have expected a positive impact to ridership in May 2025 relative to May 2024 due to weather.

Service Disruption. There were zero scheduled service interruption days in May 2025 compared zero service interruption days in May 2024. METRO would have expected a neutral impact to ridership in May 2025 compared to May 2024 as a result of scheduled service disruptions. There were no unscheduled service interruptions in May 2025. However, Thursday, May 16, 2024, a derecho storm swept through the Houston area with winds reaching up to 100 mph that left more than 1 million customers without electricity. The wind gusts blew out windows of high-rise buildings and caused towers holding power lines to crumble. As a result, METRO did not operate Park and Ride service May 17th – 24th 2024. METRO would have expected a positive impact from the unscheduled service interruptions in May 2025 relative to May 2024.

Special Events. There were four days of Offshore Technology Conference, 3 Ivan Cornejo concerts, 16 Astros games, and 2 days of DreamCon in May 2025 compared to four days of Offshore Technology Conference, 16 Astros games, and 3 days of Comicpalooza in May 2024. METRO would have expected a positive impact to ridership as a result.

Service Levels. There were more revenue hours of service on both local and Park and Ride services in May 2025 than in May 2024. With more revenue hours of service, METRO would have expected a positive impact to ridership in May 2025 relative to May 2024.

MAY 2025 (Fiscal Year 2025) Ridership Summary
