

Minimum Education Training Program Form (PRB-2000)

The Pension Review Board (the Board) has adopted rules outlining the Minimum Educational Training (MET) Program, contained in 40 Texas Administrative Code, Chapter 607, for trustees and system administrators of public retirement systems. Trustees and system administrators are required to complete the 7-hour Core training requirement within their first year of service, and the 4-hour Continuing Education (CE) requirement every 2 years thereafter. Trustees and system administrators may only receive CE credit hours once they have completed the Core requirement and they have reached their one year anniversary of service.

More information on the on MET requirements, including accredited sponsors, can be found at http://www.prb.state.tx.us/resource-center/trustees-administrators/educational-training-program/.

The MET requirements, and this form, do not apply to defined contribution plans or retirement systems consisting exclusively of volunteers organized under the Texas Local Fire Fighters Retirement Act.

Systems must submit a PRB-2000 form by **September 1** (for training completed August 1 of the previous year through July 31).

This form may be used to submit completed MET activities to the Board. Please follow these instructions.

- 1. Please use as many pages as necessary to accommodate the number of trustees on the system's governing body. Please note systems should feel free to submit the required information in another format, such as Excel spreadsheets. If doing so, please leave the form blank but sign it and submit it along with the information.
- 2. If no training hours were completed, please check the "no training to report" box located at the top right side of the form.
- 3. Please fill out the form in its entirety. If you have any questions, please contact PRB staff at prb@prb.texas.gov or (512) 463-1736.

The Board may request additional supporting materials, including documentation indicating completion of the training activity, on a case-by-case basis. To avoid delay in processing the form, please fill out all requested information.
