

# EXECUTIVE SUMMARY – May 2021

**Calendar Mix.** There was no change in calendar mix for May 2021 compared to May 2020. METRO would have expected a neutral impact to ridership in May 2021 relative to May 2020 due to calendar mix.

**Calendar Mix – Holidays** Memorial Day occurred in May 2021 and May 2020. METRO would have expected a neutral impact to ridership in May 2021 relative to May 2020 due to holidays.

**Weather.** There were four weather days in May 2021 compared to zero weather days in May 2020. METRO would have expected a negative impact to ridership in May 2021 relative to May 2020 due to weather.

**COVID-19 .** Harris County's COVID-19 Threat Level was lowered from Red to Orange on May 18, 2021 and from Orange to Yellow on May 28, 2021. On May 24, 2021 METRO lifted the social distance restrictions on seating capacity for fixed-route buses and trains. In May 2020, the combination of Harris County's "Stay Home, Work Safe" advisory, emphasis on travel for essential purposes only, METRO's reduction in Park & Ride services due to previously declining ridership, and implementation of reduced maximum passenger loads for social distancing were all factors which impeded ridership. METRO would have expected a positive impact to ridership in May 2021 relative to May 2020 due to the lowering of the county threat level and the lifting of social distance requirements on fixed route buses and trains.

**Service Disruption.** Due to scheduled service interruptions on the legacy RED rail line, there were sixteen service interruption days in May 2021 compared to zero service interruption days in May 2020. METRO would have expected a negative impact to ridership in May 2021 compared to May 2020 as a result of service disruptions.

**Special Events.** There were sixteen Houston Astros home games in May 2021 relative to no major special or sports events in May 2020. METRO would have expected a positive impact to ridership as a result.

## MAY 2021 (Fiscal Year 2021) Ridership Summary

### Monthly Total Ridership
