

EXECUTIVE SUMMARY – June 2021

Calendar Mix. There was no change in calendar mix for June 2021 compared to June 2020. METRO would have expected a neutral impact to ridership in June 2021 relative to June 2020 due to calendar mix.

Calendar Mix – Holidays There were no holidays in June 2021 and June 2020. METRO would have expected a neutral impact to ridership in June 2021 relative to June 2020 due to holidays.

Weather. There were two weather days in June 2021 compared to two weather days in June 2020. METRO would have expected a neutral impact to ridership in June 2021 relative to June 2020 due to weather.

COVID-19. Due to the lowering of the Harris County COVID-19 threat level and the relaxing of METRO's social distance requirements on fixed route buses and trains in FY2021, METRO would have expected a positive impact to ridership in June 2021 relative to June 2020.

Service Disruption. There was one service interruption day on the GREEN and PURPLE rail lines in June 2021 compared to two service interruption days and the George Floyd rally which affected the RED rail line in June 2020. METRO would have expected a positive impact to ridership in June 2021 relative to June 2020 as a result of service disruptions.

Special Events. There were twelve Houston Astros home games in June 2021 relative to no major special or sports events in June 2020. METRO would have expected a positive impact to ridership as a result.

Special Levels. There was a service change in May/June 2020 (Sunday, May 31, 2020) and a service change in June 2021 (Sunday, June 6, 2021). However, in May/June 2020 METRO increased its local bus service levels to address social distancing challenges associated with the reduced occupancy social distancing parameters. Although the June 2021 service change was an increase from the January 2021 / March 2021 service change levels, the local bus service levels in June 2021 were lower than those in June 2020. While there were more seats per trip, there were fewer trips scheduled. METRO would have expected a neutral impact to ridership in June 2021 relative to June 2020 as a result of service levels.

JUNE 2021 (Fiscal Year 2021) Ridership Summary

Monthly Total Ridership
